# About

Name: Jia You

From: Shanghai, China

**Education:**

-Interactive Media Design College Diploma, Algonquin College, Ottawa ON  
Dean's Honors List; GPA 3.97 / 4.0

-Master degree of Marketing with Merit, University of Birmingham, UK

-Bachelor degree of Business Administration with

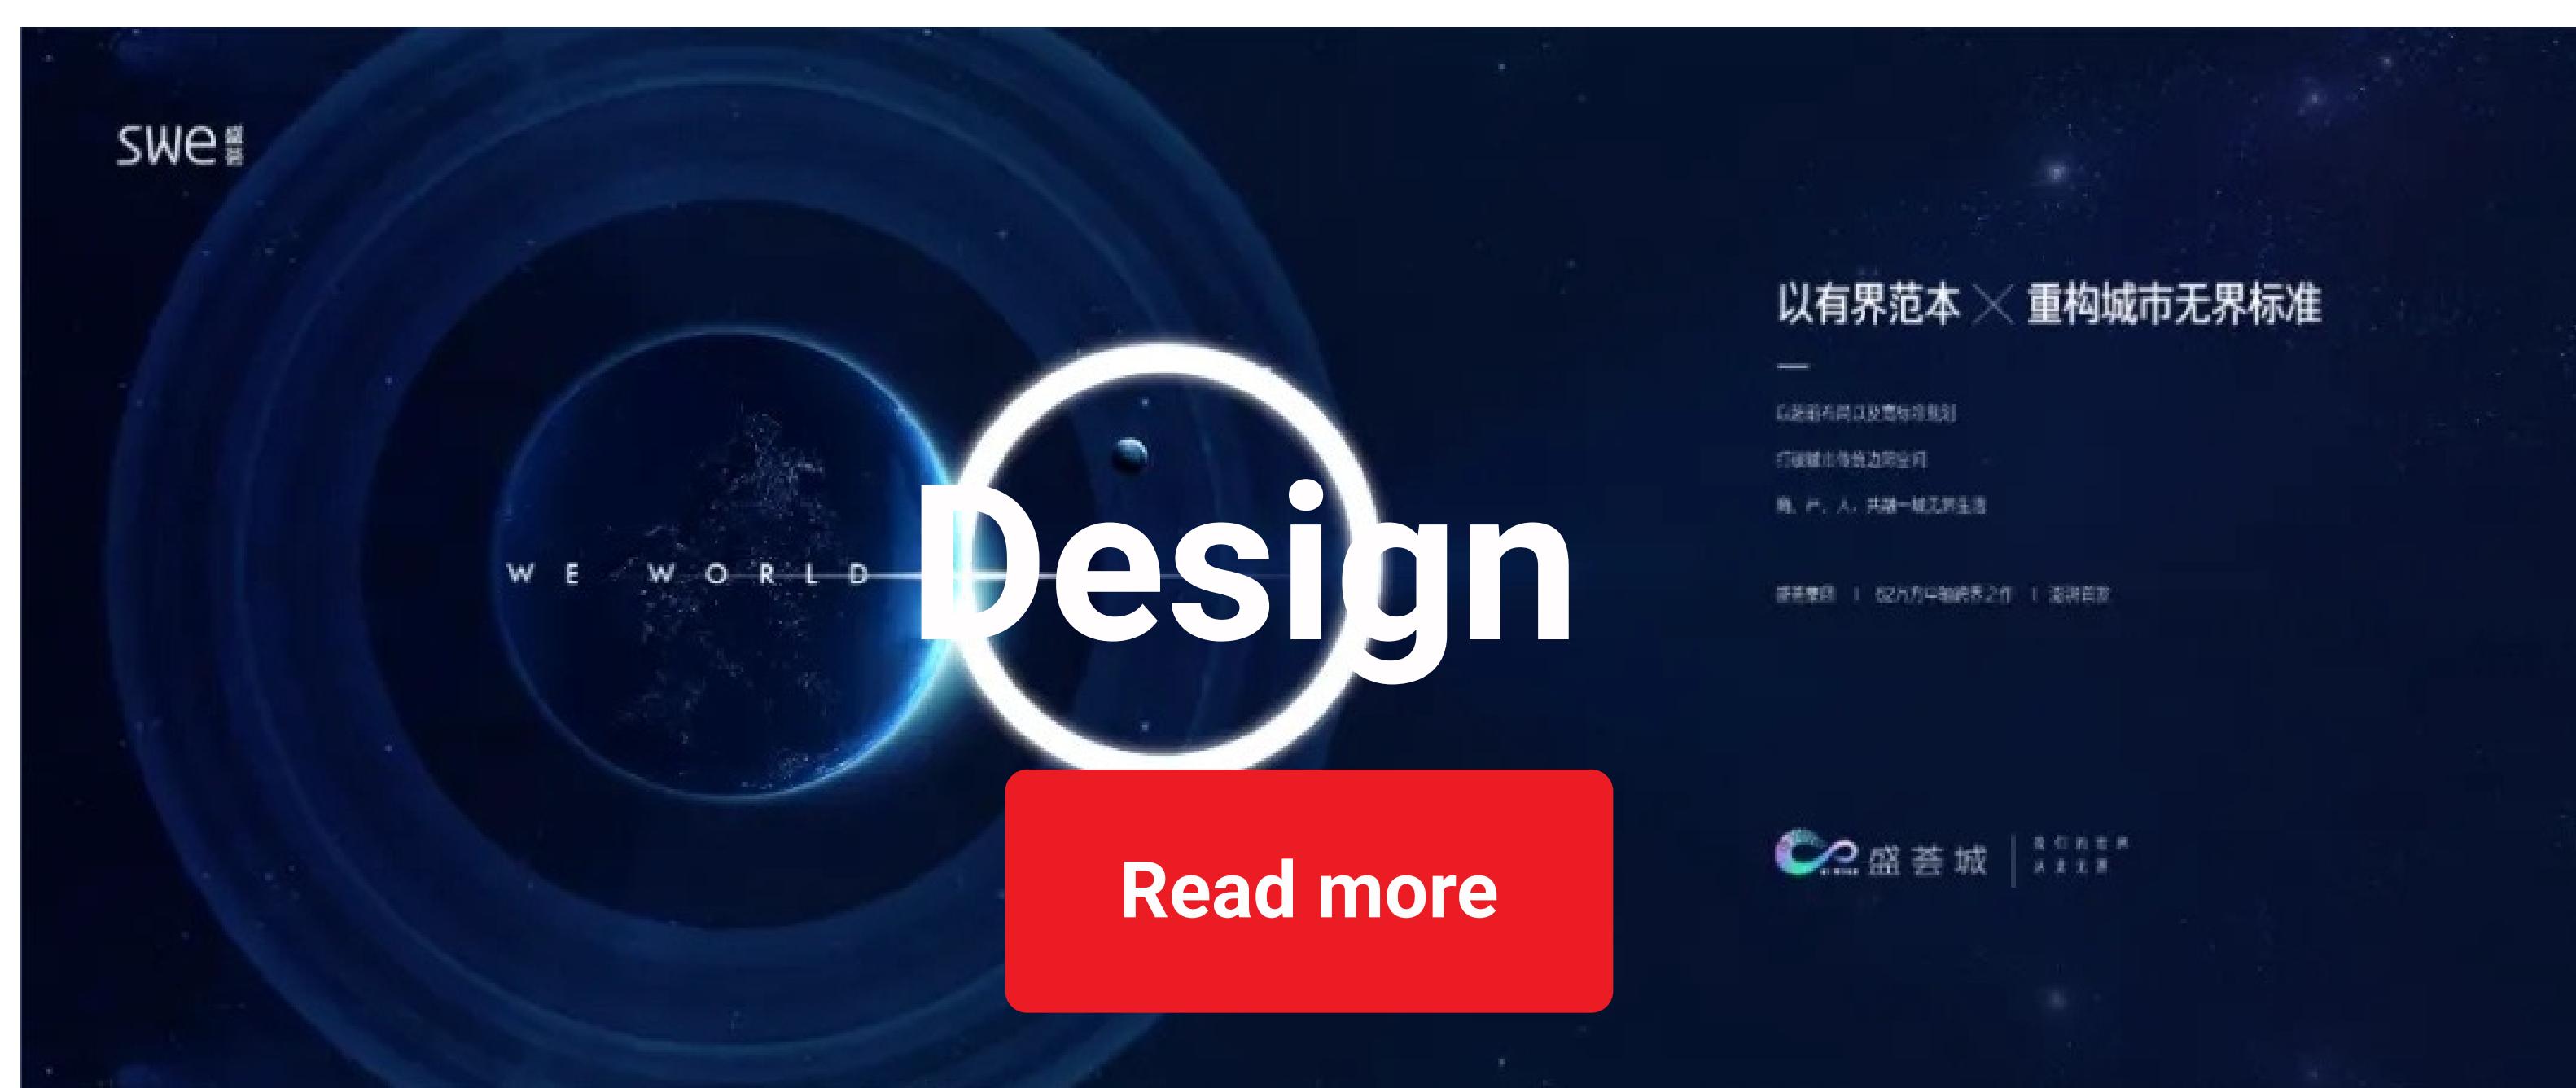

Upper Second Class Honours, University of Kent, UK

**Working experience:**

I have more than ten years of working experience in the marketing field.

My strengths in marketing are Branding, Public relationships, Business Development, Social Media Management, Event Organization, and Planning. During my previous working experience, I was interviewed by one of my companies as a diligent employee. I have leaded different teams working for the company's strategic development in marketing. Meanwhile, during my study at Algonquin College, the new skills I learned, such as Web Development, Content Management, User Experience, Video & Photography Production, as well as Design Foundation in Adobe Illustrator, Adobe Photoshop could help me boost more skills in the digital marketing field.

The background of the entire image is a photograph of a city skyline at sunset or sunrise. The sky is filled with warm, orange and pink hues, transitioning into cooler blues and purples at the top. The city's buildings are silhouetted against the bright sky, with some lights visible on the tallest structures. The water in the foreground reflects the colors of the sky and the city's lights.
